

**NIWOT ELEMENTARY
COMMUNITY SCHOOL
Before School Spanish program**

Will be offering before school Spanish classes for the
2018 – 2019 school year, come and join us!

The classes are designed to be interactive for students, allowing them to have fun
while learning about the Spanish language and cultures.

Students will become familiar with vocabulary and correct pronunciation.

They will learn, practice and play through storytelling, songs,
games, crafts, fun activities and more.

One of the best gifts that we can provide to our children is the gift of learning another
language, giving your child a significant advantage later in life
by helping them to learn it at a young age.

This year we are increasing the number of classes from 40 to 56.

The cost per class is about \$7.00
